### BADLY BURNED

Humphrey Green, who is employed by the Briggs Hardware Co., was the victim of a serious accident this morning about 9 o'clock. He was in the rear of the store room of the Briggs Co. engaged in generating gas for the light plant used in the room, and was applying wood alcohol from an oil can which he held in his hand to the flame in the generating cup, when the alcohol in the oil can exploded, throwing the burning liquid over him and burning his chest and body very severely. In attempting to put out the flames his hands and wrists were also very badly burned.—Neosho Democrat.

### HATS OFF TO GOVERNOR HARMON

Hats off to Governor Harmon of Ohio. When the news of the lynching of the anti-saloon worker by the toughs of Newark, Ohio, reached him at his summer home in Charlevoix, he was enroute to the Ohio town with troops to meet him within two hours.

The governor declares that every man who took part in the lynching shall suffer the extreme penalty of the law and that many others who are suspected of battering down the jail doors will pay heavily for their folly. The governor further declares that with the troops present to make arrests there will be no trouble to use the power of the state's immunity to gather the victims in. Again we say, "Hats off to Governor Harmon." We are not going to vote for him for president, but he is a mighty good citizen all the same. He has the proper conception of the powers and duties of governor as applied to the maintenance of order.

Lynch law can be put down even if it requires the iron will and the bloody hand of a Judson Harmon to do it. The sheriff who has not the nerve to kill a dozen or two of the mob should be compelled to lose his office and his bond.

A state which cannot enforce its authority is no state at all. The nation looks to Governor Harmon to defend the honor of the old buckeye state and to punish the lynchers in the electric chair.—Sapulpa Light.

To find quick relief from back-ache;  
To correct distressing urinary ills;

To surely cure sick kidneys?  
Just one why—your neighbors know—

Have used Doan's Kidney Pills:  
Have proved their worth in many test.

Here's Monett testimony.

Mrs. L. N. Swartzel, prop. of the Swartzel Hotel, Fourth and Bond Sts., Monett, Mo., says: "I recommend Doan's Kidney Pills highly as I know that this remedy will bring relief from kidney complaint. For years I was troubled by distressing pains in the small of my back and a constant feeling of weariness. I had a poor appetite and was bothered continually by a kidney weakness. On the advice of an acquaintance, who had used Doan's Kidney Pills for a similar trouble, with the best results, I procured a box and began their use. I am glad to state that this remedy brought the desired relief."

The above statement was given in Dec. 1906, and on Dec. 9, 1908 Mrs. Swartzel added: "I heartily confirm the statement I gave two years ago, publicly recommending Doan's Kidney Pills. This remedy is the best one I ever used for kidney complaint and is worthy of my highest endorsement."
